Career MAGNIFIER

CAREER INTERESTS PROFILER

Prepared for Jane Sample

24 May 2018

Career Interests Profiler

The Career Interests Profiler assesses your interest in a range of activities, industries and occupations to identify potential careers and areas of study. It is based solely on your individual preferences and is intended as a general guide to support your career exploration. The information in this report should not be relied upon as the sole basis for career decisions. You should consider other factors such as your personal situation, abilities, job market conditions, and industry trends. It is recommended that you seek professional advice before making decisions.

Your Highest Scoring Careers

These are your highest scoring careers based on your interests and values. These results are not based on your skills or abilities. The highest score you can receive for any occupation is **80 points.**

Psychologist	80 points
